

Mnahil Naseer

Computer Science Major

I am a passionate Computer Science student skilled in coding and communication. Proficient in **C++**, **HTML**, **CSS**, **JavaScript**, **MySQL**, **React.JS**, **Tailwind CSS**, and **Microsoft Excel**, **Word**, and **Access**. I am seeking a dynamic workplace where I can contribute, learn, and grow professionally. Dedicated to delivering high-quality, user-centric digital experiences, I thrive in both independent and team settings. Always eager to improve my skills and open to trying new things, I look forward to using my expertise for creative projects and making a meaningful impact.
