- Photography website using HTML & CSS.
- Counseling website using HTML & CSS.
- E-commerce website using React.js and TailwindCSS.
- Tech Company Website using React.js and TailwindCSS.
- Mechanic App Prototype using Figma

LANGUAGES

- English
- Urdu

EDUCATION

Bachelors in Computer Science

Shaheed Zulfiqar Ali Bhutto Institute of Science and Technology, Islamabad

EXPERIENCE

Intern Front-End Developer

InternnCraft (Remote)

- Developed responsive **e-commerce** and **tech websites** using React.js and Tailwind CSS, ensuring cross-browser compatibility and mobile responsiveness.
- Utilized **Tailwind CSS** for efficient styling, enabling rapid prototyping and consistent design.
- Implemented state management with **React** Context and Hooks to enhance data flow and component reusability.
- Collaborated with designers to transform wireframes into user-friendly interfaces, enhancing the user experience.
- Optimized website performance, leading to faster load times and improved user satisfaction.

Intern UI/UX Designer

Daybie (Remote)

- Created user-centered wireframes and prototypes for **e-commerce** and **mechanic service apps**, focusing on user flows to enhance engagement and satisfaction.
- Used **Figma** to create high-fidelity prototypes, visualizing final products and refining designs through user interaction.
- Developed design specifications and style guides to ensure consistency across digital platforms and maintain cohesive brand identity.
